DISTINGUISHED ALUMNUS AWARD – 2018

As a tribute to accolade and honour our illustrious alumni, Punjab Engineering College (Deemed to be University) invites nominations/ self-nominations for this year's Distinguished Alumnus Awards in the following categories:

- A. Young Entrepreneur Award (below 40 years)
- B. Award of Excellence
- C. Alumni Contributor's Award

YOUNG ENTERPRENEUR AWARD

The institute recognises its alumni who have distinguished themselves in their field of work at a young age (age less than 40 years as on 30th June 2018) of their career and done the Institute proud. The Award will be presented to the alumnus for his/her entrepreneurial promise and potential to contribute to society considering the extent of use of engineering principles and processes.

AWARD of EXCELLENCE

The Institute has initiated 'Award for Excellence' to recognise the Alumni of PEC who have distinguished themselves in their work domains and achieved laurels for the Institute. Individual Awards for Excellence will be presented to the Alumnus who has demonstrated professionalism and pursuit of excellence in the science and practice of engineering or rendered service to the society.

ALUMNI CONTRIBUTOR'S AWARD

This award has been constituted with an intention to felicitate the alumnus as individual or as group/batch for his/her outstanding contribution to the Institute. Individual 'Award for Alumni Contribution to the Institute' will be presented to upto two alumni (annually) for the Institution who have demonstrated keen interest in the upgradation and wellbeing of the institute.

The last date for receiving nominations / self-nominations is 21st September, 2018. The award shall be conferred during the Foundation Day Ceremony of Punjab Engineering College (Deemed to be University) on 9th November 2018.
